ROTATION HAS STARTED

NEWS

OP Delta 4 "Stavromeni". Cpl J J G Sørensen has already been five years in Cyprus but he has decided to stay here a further six months. Pte J A Simonsen is also staying on in Cyprus but Pte J P Jensen is returning to Denmark.

LIFE IN THE OPs

One hundred and fifty soldiers of DANCON XXVIII have signed on for a further six months in Cyprus, and most of them will be taking a week's rotation leave in Denmark. It would appear that duty on an OP is most attractive. Each OP is manned by a corporal and three privates and they stay on duty there for a fortnight at a time. Whilst at the OP all the duties are shared, that means that everyone takes their turn at observing, cooking, baking fresh bread early every morning and keeping the OP surrounding clean and tidy.

OP Delta 17 "Petra". Cpl P B Jensen is returning to Denmark and is to take up the job at the Army Battle School that he left on coming to Cyprus. LCpl F S Babis is to stay in Cyprus. LCpl J O Jensen is going to join the Navy again, whilst Pte P F Kirkeskou is to return to civilian life.

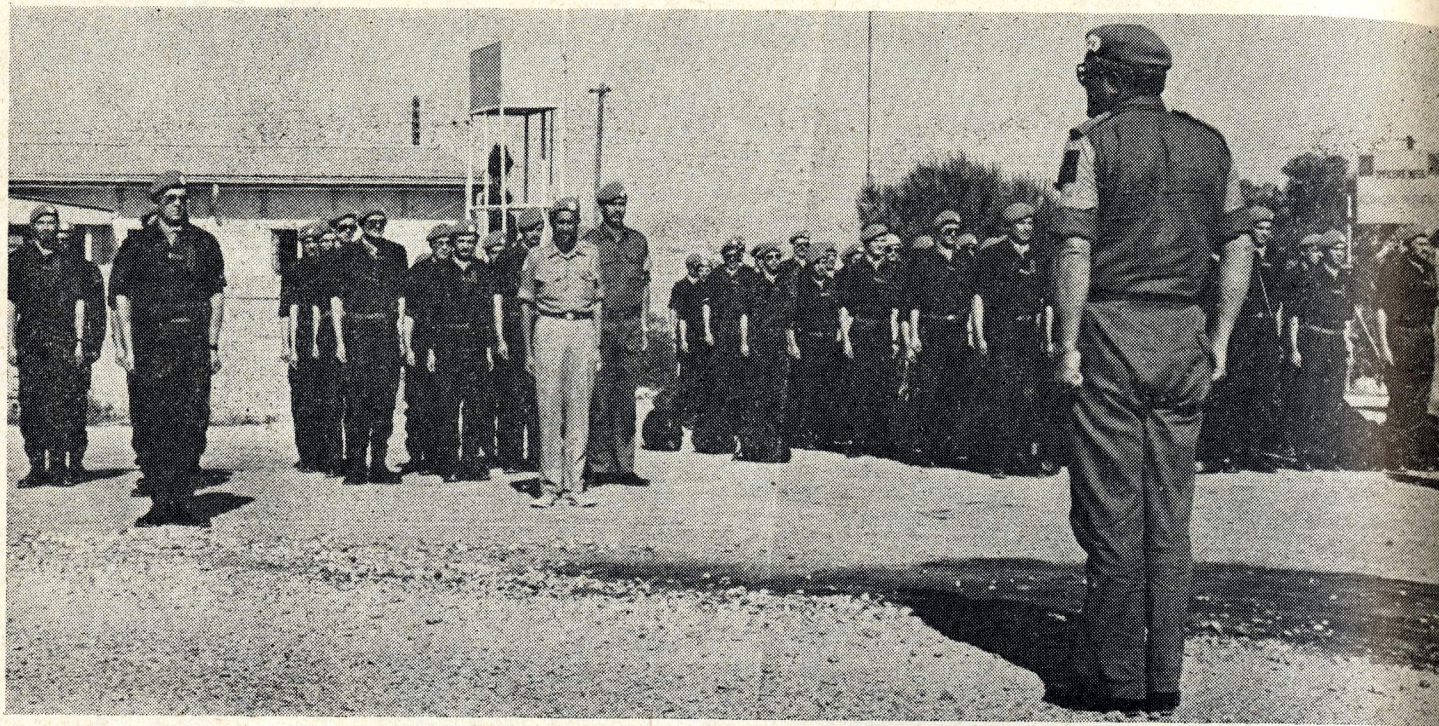

OP Delta "34 Nicholas". Cpl I E Hansen, seen here outside the OP on a sunny winter day, is staying on for a further six months as are Pte L V B Johansen and LCpl K O Nielsen.

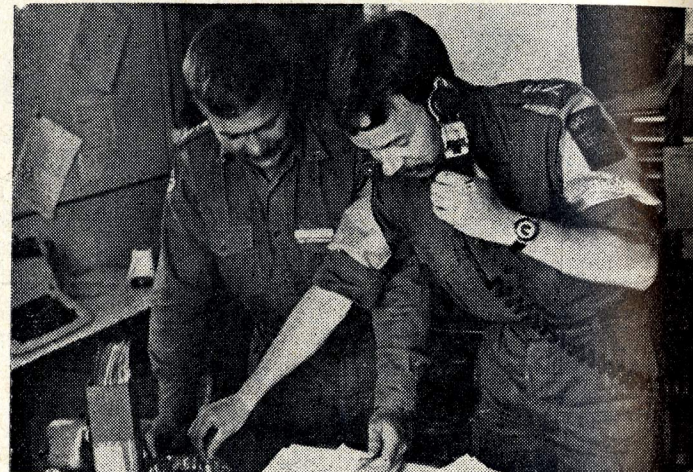

OP Delta 18 "Angolemi". Cpl P Iversen (right) who is seen inside his OP, has seven years experience. With him are two members of his team, LCpl M Hansen and Pte O R Rasmussen. Cpl Iversen is staying and will now have to train up a new team.

NEW SWEDES TAKE OVER IN SECTOR 5

Swedish Battalion 67 C is handing over Sector 5 to its successor and returning to Sweden. The battalion's tour was mainly during what turned out to be a bad Cypriot winter but even so, by spending every off duty minute out in the sun whenever it appeared, the battalion will be able to display a deep sun-tan on its return home to Sweden. Despite the rough winter the tour has been a great experience. Those who are leaving say thank you and goodbye to everyone else in UNFICYP.

The newcomers now have to get acclimatised to the hot Cypriot sun and get themselves and their equipment out to the OPs as soon as possible.

Während die "Newcomer" noch mit gemischten Gefühlen zu den Fahrzeugen, die nach Famagusta bringen sollen, marschieren, besteigen die Soldaten, die im Oktober 1977 nach Zypern gekommen sind, das Flugzeug, das sie in den österreichischen Frühling bringen wird.

As the still apprehensive newcomers march to the vehicles that will take them to Famagusta so those soldiers who came to Cyprus in October 1977 board the aeroplane that will take them home in time for the Austrian Spring.

HOME COMFORTS

OP-A05 wurde durch einen Zubau vergrößert und somit wohnlicher. Die österreichischen OP-Besatzungen, die immer wieder auf "ihren" OP zurückkehren, wissen das zu schätzen. Duschaum, Küche und neue Toiletten tragen wesentlich dazu bei, den Dienst in der Pufferzone zu erleichtern.

The members of OP A05 very much appreciate the improvements to their working accommodation. An improved kitchen and a new shower make their duty in the Buffer Zone more tolerable.

CHARMING VISITOR

Charmanten Besuch gab es, als Fräulein Brigitte Fuchs, die Athener Korrespondentin des "Kurier" AUSCON besuchte und sich sehr eingehend über die umfangreichen Aufgaben informierte. (v.l.n.r.) Fräulein FUCHS, Mrs MERCER, Hpt ENDERS, MPIO Mjr C. MERCER).

SPORTS NEWS

HQ UNFIGYP

A sight to be seen in BBC late every Monday afternoon. Members of the HQ UNFIGYP Officers' Mess who feel that the only way to make the most of the remaining spring air is to force it in to the lungs by exercising. They seem to be enjoying it too!

FORCE RESERVE

Apart from playing a variety of sports against other contingents and units the Force Reserve runs its own inter-troop competition. In the picture above 2 Troop are seen playing 3 Troop in the semi-finals of the Volley Ball Competition.

254 (UNFIGYP) SIGNAL SQUADRON SWIMMING GALA

The squadron were the first to acknowledge the arrival of summer by admitting that the water in the UNPA Swimming Pool was warm enough to swim in. To prove their case they held their Inter-Troop Swimming Gala there on Friday, 8th May.

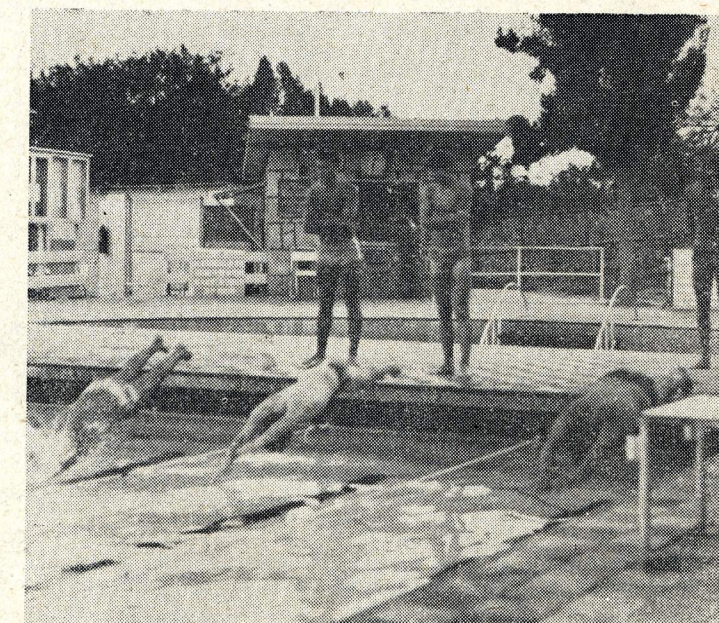

Competition between the teams was fierce and the contest was closely fought to the end when the victors, the Comcen B Team, had to wait for the results of the final event, the fifty me-

ters Freestyle Relay, to be sure that they had won.

In addition to the competition events there were also two light hearted races which very obviously did not carry points. The 'Plates' Race was won by WO2 (SSM) Bob Mills and the Obstacle Race, after much hilarity, was won by the Squadron Headquarters B Team.

A testimonial of this nature is only awarded for acts of bravery.

In the photograph the Commander BRITCON, Brigadier H. M. Tillotson CBE, is shown presenting Cpl S. P. Smith with letters from the Commander-in-Chief British Army of the Rhine and from the Commander 1st British Corps congratulating him on the award.

SPORTING PASTIMES THAT NEED SUPPORT

The picture above shows Sgt Ward "Mr Landrover SWED-CON", enjoying the UNFICYP Support Regiment Water Ski Club facilities at Ayia Napa. These facilities are available to all members of UNFICYP every weekend from dawn on Saturday until 1600 hours on Sunday. All you have to do is to check in at the REME Weekend Camp at Ayia Napa and book yourself a session. Each session is only 250 mills, why not have a try!

A small nucleus of keen bowlers, one of whom is shown in action above, is keen to raise a UN team to take part in a local Cyprus league that commences in September. Any bowler or potential bowler, who is interested in joining in should contact Sgt Ray Kennedy on HQ UNFICYP Ext 6178 or 6188. Previous experience is not necessary but enthusiasm is essential. If sufficient ladies are interested a ladies team could be formed.
